Downpayment for installation

1500

Monthly Payment x 2

450

--12 month manufacturer warranty on all components of system except for Blue Carbon with 2 months warranty. We provide post installation support and also an annual check-up of the system. Refer to Infinity Solar Operating Terms for Warranty Terms.

Commitment Fee

In order to ensure that both the customer and the company do not suffer loss of time and resources, a commitment fee is to be paid prior to Infinity Solar visiting the site for installation. This is a non refundable fee that covers travel costs in the event that the installation does not proceed for a variety of reasons. The fees are broken down as following and can be paid cash or via zipit/ecocash.

Harare and surrounding areas\$15

100KM out of Harare\$40

100-200KM out of Harare.....\$60

Rest of Zimbabwe.....\$90
